PREMIUM FOAM EARPLUG CORDED  
3301130 Howard Leight Max Corded Earplug

MAX (NRR 33) pre-shaped foam earplugs feature a smooth outer skin for maximum user comfort. The NRR 33 rating makes the MAX the highest rated disposable earplug in the U.S. The smooth, soil resistant skin helps prevent dirt from penetrating the surface prior to insertion. Attenuation tested in accordance with ANSI S3.19-1974.

Coral color, packed in poly bags.

Rating: SNR37
